Please contact us with any questions.
File errors may cause a delay in the launch of ad campaign.

Seamless Printing!
Your Banners are printed on our 12' wide press.

Specifications for Submitting Banner Art Files

DO:

File Types Accepted: High-Res-PDF, EPS, or TIFF
Standard Document Space: Set document space to 65" wide x 30" tall.
Image Size: Up To 300 DPI.
Fonts: ALL FONTS MUST BE CONVERTED TO OUTLINE.
The entire design should be in one file (with layers unlocked, if any.)

DO NOT:
SEND FILES CONTAINING FONTS, LINK FILES FROM OTHER FOLDERS, LOCKED FILES

Transferring Files: Files under 8 Megs may be directly emailed to Graphics@Billboards2Go.com
Larger files may be sent via a file sharing service such as www.WeTransfer.com

Lead-time: The minimum lead time for standard production is **10 working days** prior to start date.
A longer lead time is helpful for scheduling. Art work files submitted to us after the lead time may be subjected to rush production charges. Using two unique/different main banner designs per unit is subject to an up charge.
